Overview

Dr. G. Narendra Kumar Reddy is an accomplished vascular and endovascular surgeon in Whitefield, Bengaluru, with over 15 years of surgical experience. He is currently practising as a Consultant – Vascular & Endovascular Surgery at Manipal Hospitals, Varthur Road, Whitefield, with focused expertise in vascular and endovascular procedures. He completed his MBBS from Kempegowda Institute of Medical Sciences, Bangalore, followed by an MS in General Surgery from Bangalore Medical College. He later pursued a Fellowship in Vascular Surgery from Manipal University, formalising his transition into specialised vascular practice. This structured progression from general surgery to advanced vascular training reflects a sustained commitment to surgical depth and procedural precision. Over the years, Dr. Narendra Reddy has worked as a Consultant in Vascular and General Surgery across multiple institutions in Bengaluru. His long-standing involvement in tertiary care settings has provided consistent exposure to complex vascular conditions requiring both open surgical and endovascular approaches. His clinical scope includes comprehensive vascular and endovascular surgical management.

Vascular surgery involves operative correction of arterial and venous disorders, while endovascular surgery incorporates minimally invasive, catheter-based techniques performed through small access points within blood vessels. The integration of these two modalities allows structured planning based on anatomical involvement, disease severity, and procedural suitability. His expertise in this dual approach contributes to his recognition as one of the best vascular surgeons in Varthur Road, Whitefield for patients requiring specialised vascular evaluation and intervention. Dr. Narendra Reddy is an active member of several professional bodies, including the Association of Surgeons of India, the Vascular Society of India, the Venous Association of India, the International Society of Vascular Surgeons, the Diabetic Foot Society of India, and the Indian Association of Gastro-Intestinal Endoscopic Surgeons. These affiliations reflect continued engagement with evolving surgical standards and vascular care protocols. Fluent in English, Kannada, Tamil, Telugu, and Hindi, he communicates clearly with individuals from diverse linguistic backgrounds, ensuring that procedural options and treatment pathways are explained in accessible terms. His consultations are structured around clinical examination, vascular assessment, and appropriate imaging correlation before deciding on intervention. With over two decades of surgical practice and formal vascular fellowship training, Dr. G. Narendra Kumar Reddy is widely regarded as one of the best vascular surgeons in Varthur Road, Whitefield, particularly for integrated vascular and endovascular surgical care delivered through methodical evaluation and procedural expertise.
