

DR. CHETHAN J V

Consultant - Urology

Qualification

MBBS | M.S (Gen. Surgery) | M.Ch (Urology)

Overview

Dr. Chethan J V is a highly accomplished urologist in Whitefield, Bengaluru, with over 9 years of specialised experience in urology and endourology. He is currently practising as a Consultant – Urology at Manipal Hospitals, Varthur Road, Whitefield, with advanced expertise in complex stone disease, laparoscopic urological surgeries, reconstructive urology, and renal transplantation. After completing his MBBS from SDUMC, Kolar, he pursued his MS in General Surgery and subsequently M.Ch in Urology from JNMC, Belgaum, establishing a strong academic and surgical foundation. His training encompassed endourology, open reconstructive procedures, paediatric urology, female urology, and transplant surgery. Over the years, he has performed more than 1500 PCNL procedures, reflecting extensive experience in managing complex renal calculi using minimally invasive techniques. His endourological expertise includes PCNL, URS, TURP, and RIRS, supported by laser prostatectomies and laser stone surgeries. In laparoscopic urology, he performs radical nephrectomy, simple nephrectomy, pyeloplasty, ureterolithotomy, ureteric reimplantation, varicocelectomy, adrenalectomy, orchidopexy, and

laparoscopic repair of vesicovaginal fistula. His practice also includes paediatric laparoscopic procedures and complex open surgeries such as radical cystectomy with neobladder reconstruction, augmentation cystoplasty, radical prostatectomy, urethroplasty including buccal graft plasties, and ileal replacement of ureter. In female urology, he performs TOT and TVT procedures for stress urinary incontinence and manages urinary fistulae, including VVF, UVF, and urethrovaginal fistula. His andrology work includes penile reconstruction, varicocelectomy, testicular biopsy, and PESA. He is also actively involved in renal transplantation, performing AV fistula creation, CAPD catheter insertion, open and laparoscopic donor nephrectomies, and recipient renal transplant procedures. His comprehensive surgical profile contributes to his recognition as one of the best urologists in Varthur Road, Whitefield for advanced operative urology. Dr. Chethan has authored multiple indexed publications, including studies on pelvic fracture urethral distraction defects, penile squamous cell carcinoma, emphysematous pyelonephritis, and sarcomatoid carcinoma of the penis. He has presented scientific work at national forums, including USICON and zonal urology conferences, reflecting continued academic engagement. Fluent in English, Hindi, Kannada, Bengali, and Telugu, he communicates clearly with individuals from diverse linguistic backgrounds, ensuring informed surgical decision-making. His consultations are structured around detailed evaluation, imaging correlation, and stepwise planning before intervention. Through sustained surgical volume and academic contribution, Dr. Chethan J V is widely regarded as one of the best urologists in Whitefield, particularly for complex stone disease, reconstructive procedures, and renal transplant-related care.

Field of Expertise

- Performed more than 1500 PCNLS.
- Lap. Radical Nephrectomy

- Lap. simple nephrectomy
- Lap. pyeloplasty
- Lap. ureterolithotomy
- Lap. VVF repair
- Lap. ureteric reimpantation
- Lap. orchidopexy
- Lap. varicocelectomy
- Lap. adrenalectomy
- Pediatric Lap procedures
- Radical cystectomies with neobladders
- Augmentation cystoplasties
- Urethroplasties (buccal graft plasties and end to end plasties)
- Radical prostatectomies
- Cancer surgeries on the Penis and Testis
- Ileal replacement of ureter.
- TOT / TVT repair for stress incontinence.
- urinary fistule- VVF, uvf, urethrovaginal fistula.
- Penile reconsruction, varicocelectomies, testicular biopsies,PESA.
- Laser prostatectomies, laser stone surgeries.
- AV fistulas, CAPD catheter insertion.
- Open and Lap donor nephrectomies and renal transplantation(recipient).
