

DR. NAVEEN S K

Associate Consultant - Ophthalmology

Qualification

MBBS | DOMS (Opthalmology)

Overview

Dr. Naveen S K is a seasoned ophthalmologist in Whitefield with over 15 years of focused experience in comprehensive eye care and surgical ophthalmology. He is currently practising as an Associate Consultant – Ophthalmology at Manipal Hospitals, Varthur Road, Whitefield, Bengaluru, with advanced expertise in cataract surgery, glaucoma management, phacoemulsification, and refractive procedures. An MBBS graduate from Kasturba Medical College, Mangalore, Dr. Naveen completed his Diploma in Ophthalmology (DOMS) from M.S. Ramaiah Medical College and Research Hospital, followed by MS Ophthalmology under the aegis of Manipal Hospital, Bengaluru. He further pursued specialised training in phacoemulsification and refractive surgery at Bangalore West Lions Multispeciality Eye Hospital, strengthening his surgical precision in modern cataract and refractive correction techniques. He has working closely within structured ophthalmic teams and gaining extensive exposure to both outpatient and surgical ophthalmology. His clinical scope includes detailed slit-lamp examinations, intraocular pressure monitoring, retinal evaluation, visual field assessment, and long-term

glaucoma surveillance. In cataract care, he is experienced in phacoemulsification techniques aimed at minimal incision, faster recovery, and optimal visual outcomes. In glaucoma care, he focuses on long-term intraocular pressure control, optic nerve evaluation, visual field monitoring, and disease progression tracking. His structured approach to glaucoma management contributes to his growing recognition as one of the best ophthalmologists in Varthur Road, Whitefield for comprehensive cataract and glaucoma care delivered in a hospital setting. Dr. Naveen has also performed eye surgeries as part of outreach initiatives under the aegis of CSI in Raipur, Chhattisgarh, reflecting hands-on surgical experience beyond routine practice. His clinical exposure includes managing age-related cataracts, secondary cataracts, refractive errors, and chronic glaucoma conditions requiring sustained surveillance. His expertise in cataract and glaucoma management contributes to his growing recognition as one of the best ophthalmologists for structured and precision-driven eye care. Fluent in English and Hindi, he ensures clarity in patient counselling regarding surgical risks, lens options, expected visual outcomes, and long-term eye health maintenance. His hospital-based practice integrates medical therapy, laser intervention where required, and surgical management under established safety protocols. His sustained association with tertiary ophthalmic surgery at Manipal Hospital, Varthur Road, Whitefield, and his focused expertise in phacoemulsification and glaucoma care position him among the best ophthalmologists in Varthur Road, Whitefield for structured, precision-driven eye surgery and comprehensive ophthalmic management.
