

DR. VIGNESH N

Consultant and Clinical Lead - Department of Emergency Medicine

Qualification

MBBS | MEM | MRCEM(UK)

Overview

Dr. Vignesh N is a distinguished Accident and Emergency Care Doctor in Bangalore who is currently practising as a Consultant and Clinical Lead in the Department of Emergency Medicine at Manipal Hospitals, Varthur Road, Bangalore. With a wealth of qualifications and experience, Dr. Vignesh is dedicated to providing exceptional emergency medical care to patients in critical situations. His academic journey began with his MBBS degree, laying the foundation for his medical career. Dr. Vignesh furthered his expertise by completing a Master's in Emergency Medicine (MEM) and obtaining membership in the Royal College of Emergency Medicine (MRCEM) from the UK. His commitment to continuous learning is evident through his completion of workshops in Pediatric Emergency Medicine and 2D-Echocardiogram Course, enhancing his skills in managing diverse emergencies. As a seasoned emergency physician, Dr. Vignesh possesses a wide range of expertise in handling critical medical conditions. He is trained in Advanced Cardiac Life Support (ACLS) and Basic Life Support (BLS), enabling him to manage life-threatening emergencies precisely and efficiently. Dr. Vignesh is experienced in providing acute medical care

to patients in the Emergency Department while ensuring their safety and well-being at all times. His field of expertise also encompasses the management of adult, paediatric, trauma, gynaecological, ENT, and orthopaedic emergencies. He has played pivotal roles in managing acute myocardial infarction, acute stroke, thrombolysis, polytrauma, road traffic accidents (RTAs), and pain management. Proficient in emergency procedures such as suturing, central line insertion, intubation, ventilation, arterial line insertion, and procedural sedation, Dr. Vignesh excels in delivering timely and effective care to critically ill patients. In addition to his excellent patient care, Dr. Vignesh N is multilingual and extremely fluent in English, Tamil, Telugu, and Kannada. This ensures effective communication with patients from diverse linguistic backgrounds, fostering trust and understanding in the doctor-patient relationship. His dedication to advancing emergency medicine is reflected in his participation in educational and clinical audit activities, contributing to the continuous improvement of emergency care standards. Dr. Vignesh's contributions extend beyond clinical practice, as evidenced by his awards, achievements, and outreach initiatives. He has conducted workshops on BLS and ACLS for healthcare professionals, health talks for international school teachers, students, and nursing college students, and public awareness programmes on common emergencies and snakebite management. Dr. Vignesh always stays in touch with the medical community by attending different conferences, like PACE and EMCON. His commitment to community health and medical education underscores his passion for serving society and improving healthcare outcomes for all.
