

DR. PRIYANKA RANJAN SHETTY

Consultant - Ophthalmology

Qualification

MBBS | MS (Ophthalmology)

Overview

Dr. Priyanka Ranjan Shetty is a highly experienced ophthalmologist in Bangalore. She is currently practising at Manipal Hospital Varthur Road, Bangalore, as a Consultant - Ophthalmology, specialising in cornea, cataract, and refractive surgery. With an MBBS from K.S. Hegde Medical Academy and an MS in Ophthalmology from Kasturba Medical College, she has honed her expertise through years of dedicated practice, fellowship training, and research in ophthalmology. She is the Best Ophthalmologist In Varthur Road. Dr. Shetty's professional journey is marked by her commitment to advancing surgical techniques in cornea and external diseases, as well as cataract and refractive surgeries. Her specialised training includes a Fellowship in Cornea and Refractive Surgery from Narayana Nethralaya and a Fellowship in Cornea and External Diseases from B.W. Lions Eye Hospital. Additionally, she has received advanced training in phacoemulsification and corneal lamellar surgeries from renowned institutions. These experiences have made her adept in cutting-edge ophthalmic surgeries, such as phacoemulsification and lamellar keratoplasty. Throughout her career, Dr. Shetty has held prominent

positions at leading medical institutions. She began her career as a consultant, moving ahead as a senior resident. Following this, she gained further clinical exposure as a consultant in corneal, cataract, and refractive surgeries at Manipal Hospital. Her administrative acumen is evident through her tenure as the Executive Director at a medical institution, where she played a pivotal role in enhancing eye donation initiatives. Additionally, she served as a NABH coordinator at GEF Eye Hospital, achieving accreditation under her leadership. Dr. Shetty's extensive contributions to medical research further emphasise her commitment to ophthalmology. She has co-authored several significant papers, including her widely referenced publication on orbital cellulitis with a periorbital abscess in the BMJ Case Reports (2015). She has also presented numerous papers and abstracts at national and international conferences, such as the All India Ophthalmic Society (AIOC) and the World Ophthalmology Congress (WOC). Notably, she won first place in the Cornea Quiz conducted by UDOS, reflecting her expertise in the field. Dr. Shetty's memberships with prestigious associations such as the Karnataka Ophthalmic Society (KOS) and the All India Ophthalmic Society (AIOS) further underline her active engagement in the ophthalmology community. She has consistently contributed to academic discussions and clinical advancements in corneal surgeries, cataract treatment, and refractive procedures. Being multilingual, Dr. Priyanka Ranjan Shetty is fluent in English, Kannada, and Hindi. Thus, she is committed to delivering personalised, state-of-the-art ophthalmic care to her patients. Her compassionate approach, combined with her advanced technical skills and dedication to research, positions her as a leading expert in the field of ophthalmology.
