

**DR. MADHAVI NAIR**

Consultant - Surgical Oncology

**Qualification**

MBBS | MS - General Surgery | DNB Surgical Oncology

## Overview

Dr. Madhavi Nair is a highly experienced Surgical Oncology Specialist in Bangalore. She is currently practising as a Consultant in surgical Oncology at Manipal Hospitals Varthur Road, Bangalore.  Known for her expertise in oncology, Dr. Madhavi brings extensive knowledge and practical skills to the comprehensive treatment of her patients. She is a Leading surgical oncology specialist in Varthurroad, Bangalore. Dr. Madhavi holds an MBBS degree from Bangalore Medical College and Research Institute (BMCRI) and completed her MS in General Surgery from the same institution. She has also earned a DNB in Surgical Oncology, where she was awarded the President's Gold Medal at the national level for her excellence in oncology. Additionally, Dr. Madhavi holds an MBA in Hospital Management from BITS Pilani, equipping her with essential skills for effective healthcare management and patient-centred care. Her academic background reflects her dedication to medical proficiency and operational expertise. Throughout her career, Dr. Madhavi has demonstrated specialised surgical skills in treating various cancers, including head and neck, gastrointestinal, and breast cancers. Her training has equipped her with expertise in minimally

invasive and robotic-assisted procedures, allowing for precise, patient-friendly interventions. Dr. Madhavi is exceptionally skilled in coordinating multidisciplinary treatment approaches that integrate surgery, chemotherapy, and supportive care for optimal outcomes. Her research interests include factors affecting post-operative recovery and innovative approaches in oncologic surgeries. With over a decade of experience in the field, Dr. Madhavi has participated in numerous conferences and workshops to enhance her skills continually. She organised and participated in NATCON 2024, demonstrating her commitment to staying abreast of advancements in oncology. She has also presented research on head and neck cancers at national conferences and has received accolades for her contributions to cancer awareness and prevention. Her involvement in community programs emphasises her belief in preventive care and early detection, particularly for breast cancer, where she actively promotes screening programs. Dr. Madhavi's passion for patient care extends beyond her surgical expertise. She strongly emphasises counselling patients and their families, providing comprehensive information about treatment plans and possible outcomes. Her patient-centric approach is evident in her focus on quality of life and emotional well-being, ensuring that her patients feel supported throughout their cancer treatment journey. Fluent in English, Kannada, and Hindi, Dr. Madhavi Nair effectively communicates with a diverse patient base, enhancing her ability to deliver compassionate care and build trusting relationships with patients and their families. Her work at Manipal Comprehensive Cancer Center reflects her commitment to providing cutting-edge oncologic care with sensitivity and dedication.
