

DR. VISHAKHA CHOUDHARY

Consultant - Dental Medicine

Qualification

BDS

Overview

Dr. Vishakha Choudhary is an experienced and dedicated dentist in Bangalore. She is currently practising as a Consultant – Dental Medicine at Manipal Hospital Varthur Road, Bangalore. With a decade of expertise in general and restorative dentistry, Dr. Vishakha excels in many dental procedures, including standardised patient examination and screening, root canal treatments, teeth restorations, and the fabrication of complete and partial dentures, crowns, and bridges. Her proficiency extends to minor surgical procedures, ensuring patients receive comprehensive care tailored to their needs. She demonstrates exceptional skill in diagnosing and managing complex dental issues, offering solutions that improve oral health and restore confidence in her patients. She is the Best Dental Doctor in Varthur Road, Bangalore. Dr. Vishakha’s commitment to excellence is evident in her meticulous attention to detail and passion for continuous learning. She completed her Bachelor of Dental Surgery (BDS) at the prestigious Manipal College of Dental Sciences, where she laid a solid foundation for her successful career. Her dedication to research is reflected in her work on an ICMR-funded project, which involved a comparative study of

salivary parameters and oral Streptococcus mutans counts concerning patients' caries risk. This initiative underscores her interest in advancing the field of preventive dentistry through evidence-based practices. Dr. Vishakha specialises in restorative and aesthetic dentistry, focusing on achieving the perfect blend of function and appearance. Her expertise in full-mouth rehabilitation has brought transformative results to patients requiring extensive dental work, particularly those with advanced dental caries, missing teeth, or other oral health challenges. She adopts a patient-centred approach, carefully crafting treatment plans that cater to each individual's unique dental health goals. In addition to her clinical expertise, Dr. Vishakha is deeply committed to patient education and counselling. She emphasises the importance of preventive care, helping patients of all ages adopt effective oral hygiene practices. Her approachable and compassionate demeanour makes her particularly adept at working with paediatric and geriatric patients. Whether it is preventing caries in children, providing rehabilitative care for adults, or managing oral health challenges in the elderly, Dr. Vishakha is known for building trust and comfort in every interaction. Dr. Vishakha also excels in crafting aesthetic dental solutions that enhance smiles, leveraging her experience in crowns, bridges, and cosmetic restorations. She combines artistry with clinical precision, ensuring her patients achieve natural-looking and durable results. Her disciplined attitude, adaptability, and polite nature further contribute to her reputation as a highly competent and compassionate practitioner in dentistry. Fluent in English and Hindi, Dr. Vishakha communicates effectively with patients from diverse linguistic backgrounds. Her ability to explain complex dental conditions and procedures clearly and relatable ensures that her patients feel informed and empowered throughout their dental care journey.
