

DR. DEEPTHI T N

Consultant - Dermatology

Qualification

MBBS | MD | DNB | RGUHS (Aesthetic Dermatology)

Overview

Dr. Deepthi T N is a skilled and experienced dermatologist currently serving as a Consultant Dermatologist at Manipal Hospital Varthur Road, Bangalore. With over 11 years of overall medical experience, including more than 8 years of specialised practice in dermatology, she is dedicated to helping patients achieve healthier skin, hair, and overall well-being through comprehensive and personalised care. She holds an MBBS, MD in Dermatology, Venereology and Leprosy, and a DNB in Dermatology. Further strengthening her expertise, she completed a Fellowship in Aesthetic Dermatology from Rajiv Gandhi University of Health Sciences. Her extensive training enables her to provide both medical and cosmetic dermatology services, addressing a wide spectrum of skin, hair, and nail concerns. Dr. Deepthi has significant experience in diagnosing and treating conditions such as acne, eczema, psoriasis, vitiligo, fungal infections, pigmentation disorders, and hair loss. She also offers advanced aesthetic dermatology treatments, including chemical peels, laser procedures, microneedling, platelet-rich plasma (PRP) therapy, and non-surgical anti-ageing treatments designed to enhance skin health and appearance. Known

for her patient-centric approach, Dr. Deepthi combines clinical expertise with compassion to create customised treatment plans tailored to individual needs and skin types. She utilises modern diagnostic techniques, including dermatoscopy, to ensure accurate assessments and effective treatment outcomes. A strong advocate of preventive skincare and patient education, she takes time to explain diagnoses, treatment options, and skincare practices in a clear and approachable manner. Her commitment to evidence-based medicine, continuous learning, and adoption of emerging dermatological advancements allows her to deliver high-quality care across both medical and aesthetic dermatology. Dr. Deepthi T N is fluent in English, Hindi, Kannada, Telugu, and Tamil, enabling her to communicate effectively with patients from diverse linguistic and cultural backgrounds. Her multilingual proficiency helps create a comfortable and inclusive environment where patients can discuss their concerns openly, understand their diagnosis and treatment options clearly, and actively participate in their care journey. By bridging language barriers, she ensures that every patient receives personalised attention and clear guidance throughout their treatment experience.

Field of Expertise

- Her expertise spans the diagnosis and treatment of a wide range of dermatological conditions, from common skin issues to advanced aesthetic treatments.
