

DR. NISHCHITH S

Consultant - Neurosurgery and Interventional Neurology

Qualification

MBBS | MS | Mch (Neurosurgery) | Fellowship in Endovascular Neurosurgery and Stroke Intervention (FENS & SI)

Overview

Dr. Nishchith S is an academically accomplished and expert neurosurgery specialist in Varthur Road, Bangalore, bringing over seven years of neurosurgical experience, including dedicated post-residency clinical practice. He is currently practising as Consultant - Neurosurgery and Interventional Neurology at Manipal Hospitals, Varthur Road. His extensive and advanced expertise in brain, spine, and neurovascular surgery, and the ability to maintain a strong balance of clinical precision, minimally invasive techniques, and evidence-based practice to deliver specialised neurological care, have earned him the reputation of the expert neurosurgery specialist in Varthur Road, Bangalore. Dr. Nishchith’s academic foundation is built on rigorous training at some of the leading medical institutions in India and abroad. He completed his M.Ch in Neurosurgery from Seth G.S. Medical College & KEM Hospital, Mumbai, following his M.S. in General Surgery and MBBS from reputed institutions in Karnataka. His expertise is further strengthened by an international fellowship in Neuroendovascular Surgery and Stroke Intervention at Kameda Medical Centre, Japan, where he gained advanced training in complex

vascular and interventional neurosurgical procedures. His clinical expertise spans a wide range of neurological conditions, including brain tumours, spinal disorders, cerebrovascular diseases, and traumatic brain and spine injuries. He has significant experience in both open and endovascular neurosurgical procedures, including aneurysm coiling, thrombectomy, AVM embolisation, carotid interventions, acute stroke management, large vessel occlusion treatment, management of intracranial aneurysms, and dural AVFs. His approach focuses on precise surgical planning, patient safety, and achieving optimal functional outcomes through personalised treatment pathways. A key area of focus in Dr. Nishchith's practice is cerebrovascular neurosurgery and minimally invasive spine surgery. His clinical and academic work reflects a strong commitment to advancing newer techniques in stroke intervention and complex neurovascular care. He has also contributed to peer-reviewed research and academic publications in cranial and spinal neurosurgery, highlighting his focus on improving surgical outcomes and advancing clinical practice. In addition to his clinical expertise, Dr. Nishchith is actively involved in academic teaching, mentoring neurosurgery residents, and participating in national and international neurosurgical conferences. His structured, detail-oriented approach, combined with global exposure and advanced technical skills, positions him among the best neurosurgeons in Varthur Road, Bangalore, for patients seeking comprehensive and coordinated neurological care. His ability to integrate advanced surgical techniques with multidisciplinary care ensures comprehensive and outcome-driven treatment for complex brain and spine conditions.

Fellowship & Membership

- Life Member - NSI (Neurosurgical Society of India)
- Life Member - SNVI (Society of Neurovascular Intervention)
- Life Member - ASI

Field of Expertise

- Neuroendovascular Surgery
- Cerebrovascular Surgery
- Minimally invasive and advanced Neurosurgical Surgery
- Acute Stroke Management & Large Vessel Occlusion
- Intracranial Aneurysms, AVMs, Dural AVFs, Carotid Artery Diseases

Languages Spoken

- English
- Hindi
- Kannada
- Marathi

Awards & Achievements

- Gold medallist - Mch neurosurgery
