

DR. MURALI KRISHNA N

Chief Cardiologist

Qualification

MBBS | MD in General Medicine | DNB in Cardiology

Overview

Dr. N Murali Krishna is a senior heart care specialist in Vijayawada with a remarkable career spanning various renowned medical institutions. With extensive experience and a broad spectrum of skills, Dr. Krishna has established himself as a prominent figure in the field of cardiology. Dr. Krishna's illustrious career began with his role as the Consultant and Head of the Cardiology Department at a renowned hospital back in 1994. He then progressed to become a Senior Consultant and Interventionist at a leading cardiac centre from 1996 to 2004. Over the years, he made significant contributions to the medical community, serving as a Senior Consultant at various prestigious hospitals between 2005 and 2018. He completed his MBBS from Jawaharlal Nehru Medical College, Belgaum, and pursued an MD in General Medicine from J.J.M. Medical College, Hyderabad. Further specialising, he attained a DNB in Cardiology from Nizam's Institute of Medical Sciences, Hyderabad. His academic pursuits also include a Fellowship from the American College of Cardiology and an International Fellowship from the European Society of Cardiology. Dr. Krishna's expertise encompasses a range of areas, including Cardiac Interventions, Cardiac Emergencies, PTCA

(Percutaneous Transluminal Coronary Angioplasty), and Peripheral Interventions like carotid, subclavian, and renal interventions. His proficiency extends to procedures like IVC filters and left main stenting. Beyond his medical practice, Dr. Krishna serves as a Medical Advisor for Volga Archery Academy and the Lenin Foundation, showcasing his commitment to community well-being. His contributions have been recognised with the prestigious Legend Doctor Cardiologist Award by Times Healthcare Achiever Awards in 2019-20. This recognition by the Times of India for Andhra Pradesh and Telangana highlights his exceptional dedication to the field. Dr. Krishna is a Life Member of the Association of Physicians of India and holds a Fellowship of the Society for Cardiac Angiography and Intervention. With multilingual proficiency, he communicates fluently in English, Hindi, Telugu, and Kannada, ensuring effective patient interactions. Dr. N Murali Krishna's journey as a Senior Consultant Cardiologist is marked by his relentless pursuit of excellence, a plethora of experience, and a commitment to advancing cardiac care. His remarkable achievements and contributions have made him a revered figure in the medical community.
