

DR. RAVI D

Consultant - Laparoscopic and Minimal Access Surgeon

Qualification

MBBS | MS General Surgery | FICS | FMAS

Overview

Dr. Ravi is a highly experienced General and Laparoscopic Surgeon currently working at Manipal Hospitals, Vijayawada. With over 24 years of expertise in broad general surgical and laparoscopic procedures, he brings immense knowledge to the field. He is the foremost General & Minimal Access Surgeon in Vijayawada. Dr. Ravi's educational journey began with obtaining his medical degree (MBBS) from Shri BM Patil Medical College, Bijapur, Karnataka. He then pursued further specialisation by completing a Master of Surgery (MS) in General Surgery from Kasturba Medical College, Manipal, Karnataka. Additionally, he did a certificate course in Basic Laparoscopy from the prestigious All India Institute for Medical Sciences (AIIMS), Delhi and received fellowships in laparoscopic hernia and proctology procedures. Dr. Ravi holds prestigious fellowships including a Fellow of the International College of Surgeons (FICS) and a Fellowship in Minimal Access Surgery (FMAS). He is also an active member of the Association of Surgeons of India and the Association of Minimal Access Surgeons of India (AMASI). He was also the General Secretary of the Indian Medical Association, Andhra Pradesh State Branch. Dr Ravi has extensive

knowledge of general, laparoscopic and proctology surgeries. This is demonstrated in the high number of procedures performed during his career – more than 3000 General and Gynaecological Open Surgeries and 2400 Laparoscopic and Proctology Procedures. Along with experience in both open and laparoscopic surgery, Dr. Ravi also specialises in advanced hernia repairs using TEP and TAPP techniques. His expertise extends to proctology where he employs modern technologies like LASER, VAFT, and LIFT procedures. He is skilled in diagnostic procedures including upper GI endoscopy and sigmoidoscopy, and regularly performs surgeries ranging from gallbladder stone removal to gynaecological procedures. His diverse surgical experience ensures patients receive comprehensive care using the latest surgical techniques.
