

**DR. K. SASIKANTH REDDY**

Associate Consultant - Radiology

**Qualification**

MBBS | DNB

## Overview

Dr. K. Sasikanth Reddy is an experienced radiologist in Vijayawada. He is currently practising as an Associate Consultant - Radiology at Manipal Hospitals, Vijayawada. Dr. Sasikanth Reddy brings a strong foundation in diagnostic and interventional radiology, backed by thorough training and clinical proficiency. He holds an MBBS degree and has pursued a DNB in Radiology, followed by a specialised qualification in Interventional Radiology from the Indian College of Radiology & Imaging. His approach integrates deep anatomical knowledge, precision diagnostics, and a commitment to enhancing patient outcomes through accurate and timely imaging support. Dr. Reddy’s expertise spans multiple radiological modalities, including Ultrasonography (USG), X-ray, CT scan, and MRI. He plays a critical role in diagnosing a wide range of conditions, from acute emergencies to chronic illnesses, and supports multiple specialities in developing tailored treatment plans. His skill in interpreting complex imaging studies ensures clarity in diagnosis, which is often the cornerstone of effective clinical decision-making. Whether identifying subtle lesions, evaluating organ function, or guiding procedures, he brings a

meticulous and focused approach to every case. In addition to diagnostic radiology, Dr. Reddy is well-versed in interventional radiology techniques. These minimally invasive image-guided procedures, such as biopsies, drainages, and vascular access placements, are essential in both diagnosis and treatment. He ensures patient safety and comfort throughout these procedures by using the latest techniques and adhering to the highest standards of care. His contribution significantly reduces the need for invasive surgeries and shortens recovery times, leading to improved patient outcomes. Dr. Reddy believes in maintaining close collaboration with referring clinicians to offer integrated, multi-disciplinary care. He routinely communicates imaging findings with clarity and clinical relevance, ensuring physicians and surgeons receive the insights they need to manage patient care effectively. His diagnostic acumen has made him a valuable asset in detecting critical abnormalities at early stages, thereby facilitating prompt and targeted treatments. He is the top Radiologist in Vijayawada. He is also deeply committed to continuous learning and staying updated with the latest advancements in radiology. Through active participation in academic workshops, clinical discussions, and training programs, he sharpens his skills to meet the evolving demands of modern diagnostic imaging. His focus on technological excellence ensures patients benefit from the most precise and safest imaging solutions available. With a patient-centric philosophy, Dr. Reddy prioritises both diagnostic accuracy and compassionate care. He ensures that patients undergoing imaging procedures are well-informed and at ease. Whether it’s a first-time ultrasound or a complex MRI, his calm demeanour and clear explanations make the process smooth and reassuring for patients of all ages. Dr. K. Sasikanth Reddy communicates fluently in English, Telugu, and Hindi, allowing him to connect effectively with patients from diverse backgrounds. His ability to explain medical imaging findings in simple, clear language ensures patients feel informed, confident, and supported throughout their diagnostic journey.

## Fellowship & Membership

- Interventional Radiology from the Indian College of Radiology & Imaging

## Field of Expertise

- USG
- X-Ray
- CT Scan
- MRI

## Languages Spoken

- English
- Telugu
- Hindi
