

DR. GIRISH BATHINA

Consultant - General Medicine

Qualification

MBBS | MD (General Medicine)

Overview

Dr. Girish Bathina is a dedicated general physician in Vijayawada with nearly a decade of clinical experience in managing a wide spectrum of acute and chronic medical conditions. He is currently practising as a Consultant - General Medicine at Manipal Hospital Vijayawada. With a strong clinical foundation and patient-centred approach, he is regarded as one of the best general physicians in Vijayawada for comprehensive and evidence-based internal medicine care. Dr. Girish completed his MBBS from Konaseema Institute of Medical Sciences, followed by an MD in General Medicine from Shadan Medical College. His training has equipped him with strong diagnostic skills and the ability to manage complex medical cases across various clinical settings. Over the years, he has developed expertise in evaluating patients through detailed clinical assessment, supported by appropriate investigations and personalised treatment planning. With experience across multiple reputed hospitals, Dr. Girish has worked in diverse and high-volume healthcare environments. During the COVID-19 pandemic, he played a crucial role as a COVID-19 specialist, managing critically ill patients and contributing to frontline medical care. He has also served as an

Assistant Professor, actively participating in academic training and mentoring of medical students. Dr. Girish's clinical expertise includes the management of infectious diseases, metabolic disorders, lifestyle-related conditions, and general medical illnesses. He is skilled in diagnosing complex conditions based on clinical evaluation, patient history, and laboratory findings. His approach focuses on holistic patient care, addressing not only the presenting illness but also overall health and long-term wellness. In addition to his clinical work, Dr. Girish has contributed to academic research, with a publication on haematological manifestations in alcoholics and non-alcoholics in an international journal. His interest in research and continuous learning supports his practice of evidence-based medicine. Fluent in English and Telugu, with working knowledge of Hindi, Dr. Girish ensures effective communication with patients from diverse backgrounds. Known for his empathetic approach and clear communication, he prioritises patient understanding and involvement in treatment decisions. His commitment to quality care and clinical excellence makes him one of the best general physicians in Vijayawada for reliable and comprehensive medical care.
