

DR. ANEETA TALWAR

Consultant - Obstetrics & Gynaecology & Robotic Surgery

Qualification

MBBS | MD (Obst+Gynaec) | Robotic Surgery

Overview

Dr. Aneeta Talwar is one of the best gynaecologists (laparoscopic and robotic surgeons) and a renowned obstetrician in Bangalore. She has been offering services as a Consultant in Gynaecology and Obstetrics at the Manipal Hospitals in Whitefield since 2016. She has several years of experience as a successful gynaecologist and has also worked with some of the reputed medical institutions across the country. Dr. Aneeta Talwar completed her undergraduate degree in 1991 and did her MD in Obstetrics and Gynaecology specialisation in 1995 from the renowned All India Institute of Medical Sciences, New Delhi. Endoscopic (Laparoscopic, hysteroscopic and robotic) surgery is her field of interest. She is a foremost Consultant obstetrics & gynaecologist in Whitefield Bangalore. Dr. Talwar possesses over 27 years of expertise in managing fibroids, endometriosis, polyps, ovarian cysts, adenomyosis, genital prolapse, vesicovaginal fistula and ectopic pregnancy. She can be approached to seek medical treatment for PCOS, PMS or PCOD, abnormal uterine bleeding, pelvic pain, postmenopausal bleeding and menopausal issues. She helps in screening and treatment for genital cancers like carcinoma cervix,

endometrial and ovarian cancer. She performs surgery like laparoscopic or robotic hysterectomy, radical hysterectomy, vaginal hysterectomy, NDVH (non-descent vaginal hysterectomy), myomectomy, adenomyomectomy, Salpingectomy, oopherectomy, cystectomy, adhesiolysis and tubal recanalisation. She also handles treatments and surgical procedures like vaginoplasty, Laparoscopic Ovarian Drilling, sling surgery for genital prolapse and treatment for urinary incontinence. She is an expert in hysteroscopic surgeries including septal resection, myomectomy, adhesiolysis and polypectomy. She is known for handling gynaecological emergencies for ectopic pregnancy, twisted ovarian or para-ovarian cysts and pelvic abscesses. Dr. Aneeta Talwar is highly experienced in resolving every pregnancy-related concern of parents-to-be by following a systematic and methodical approach with compassion to deliver babies safely. She is known for handling high-risk pregnancy cases, recurrent abortions and ectopic pregnancies. Dr.Aneeta’s professional experience includes performing as the Coordinator and Senior Consultant of the Obstetrics & Gynaecology Department at some of the reputed medical centres like Max Hospital, Aditya Birla Health Care, Kailash Hospital and Fortis La Femme in New Delhi. This gynaecologist was awarded for her dedicated work in establishing the Laparoscopic Gynae Surgery department at the Max Hospital in New Delhi. She was also instrumental in setting up a special labour unit to handle the delivery of women with high-risk pregnancies in the same hospital. Top online health newspapers have published her expert opinions, guidance, and medical advice on using emergency contraceptives, preconception counselling, cervical cancer screening and consultation for pregnancy during the COVID lockdown.
