MBBS | MD- Gen.Medicine | DM-Medical Oncology

Overview

Dr. Abhaya Kumar SM is the noted cancer specialist in Whitefield, Bangalore with exceptional qualifications, and he has 18 years of overall experience in the field - with 7 years of experience as a specialist. At present, he is offering services as a Consultant in Medical Oncology to treat patients visiting the Manipal Hospitals, Whitefield, Bengaluru. He is compassionate and understanding while treating patients diagnosed with cancer, which has earned him a lot of positive patient feedback. He is a specialist in offering targeted therapy for patients suffering from solid organ malignancy, immunotherapy, and chemotherapy. Dr. Abhaya Kumar SM is an expert in handling cases related to paediatric cancer, head and neck cancer, oral cancer, haematologic cancer, and breast cancer. He completed his undergraduate degree at the MRMC in Gulbarga in 2005 and preceded it with an MD in General Medicine in 2010 from the same university. He also did a DM course in the Oncology field in 2014 at the Kidwai Memorial Institute of Oncology. Dr. Abhaya Kumar SM holds several memberships at prestigious institutions like the Karnataka Medical Council and MCI or Medical Council of India, which has further helped

him hone his clinical practice skills. Dr. Abhaya is the best oncologist in Whitefield, Bangalore. Dr. Abhaya handles chronic conditions such as thalassaemia, leukaemia, metastatic tumours, gestational trophoblastic disease treatment, cancer treatment, adenocarcinoma or glandular cancer treatment, hypopharyngeal and laryngeal cancer, anal cancer. He is competent in advising complex surgical procedures to remove cancerous tumours, bone marrow transplants, and breast cancer biopsies to prevent the spread of affected cells to other parts. Dr. Abhaya Kumar SM understands and speaks many languages like English, Telugu, Kannada, Tamil, and Hindi, which lets him converse with his patients in the language they are comfortable with while discussing their symptoms and treatments. He has performed extensive research and submitted his paperwork on topics like Haematological malignancies, Hodgkin's Lymphoma in kids, and paediatric orbital rhabdomyosarcoma in well-known peer-reviewed journals like the International Journal of Health Sciences and Research. Dr. Abhaya Kumar SM follows a practical approach during diagnosis and advises specific treatments based on the immunity levels of cancer patients. He is an eminent professional getting treatments for small intestine cancer, non-small cell lung cancer, liver cancer, bile duct cancer, skin lymphoma, lung cancer, leukaemia in kids, prostate cancer, ovarian cancer, testicular cancer, salivary gland cancer, pancreatic cancer, stomach cancer, penile cancer, thyroid cancer, non-Hodgkin lymphoma, oesophagus cancer, breast cancer, gallbladder cancer, and cervical cancer.
