

DR. NAGABHUSHAN K N

Consultant - Interventional Radiologist

Qualification

MBBS | MDRadiodiagnosis | Fellow in GI imaging and Interventions

Overview

Dr. Nagabhushan K N is a renowned Radiologist based in Bangalore. He works as an Interventional Radiologist at the Manipal Hospital in the Whitefield area of the city. He has expertise in various complex surgeries like Carotid artery stenting, Vertebroplasty, and Biopsy and tumour ablation. He is highly qualified in Radiology with degrees like MBBS and MD and various reputed fellowships. He has successfully performed more than 12000 peripheral vascular surgeries. He is an expert in treating gastrointestinal bleeding, aortic dissection, aneurysm, and limb ischemia. He is a member of the Vascular Society of India. He did his MBBS from the Bangalore Medical College and Research Institute in Bangalore in 1991. He did his DNB in General Surgery from the reputed Bangalore Baptist Hospital 2001. He has experience performing sclerotherapy, venous angioplasty, abdominoplasty, gastroscopy, and other complex surgeries. He won Best Paper Presentation from the Surgical Society of Bangalore. He has done his MD on the subject of Radiodiagnosis. He won the first prize in an oral presentation competition at a conference organised by the Indian Society for Vascular and Interventional Radiology. He has gained experience in placing PICC lines, managing failing dialysis fistula, varicose vein ablation, and carotid artery stenting. He has also performed clot removal therapy for patients suffering from acute strokes. He did an oral poster presentation at the reputed IDOR in Delhi in 2013. Dr. Nagabhushan is the best radiologist in Whitefield, Bangalore. Dr. Nagabhushan K N attended a conference organised by the Society of Interventional Radiology in Vancouver, Canada as an international travel scholar in 2016. He has a fellowship in the field of GI Imaging And Interventions. He got the certification of FVES from Manipal Hospitals, Bangalore, in 2005. He is skilled in performing endovascular treatments for treating pulmonary and renal arteriovenous malformation. He is a member of the European Society for Vascular Surgery as well. He presented an E-poster at an annual event organised by the European Congress of Radiology named ECR 201 in Vienna, Austria. He has expertise in performing catheter-directed thrombolysis for treating mesenteric ischemia and pulmonary vasculature. He also has experience in the retrieval and placement of the IVC filter. He won the first prize for his oral paper presentation at a conference held by the Indian Society for Vascular and Interventional Radiology in Kolkata in 2017. He has worked in specialised areas like Transarterial chemoembolisation of HCC and other tumours, Percutaneous cholecystectomy, Chemoports, and tunnelled catheters. He knows how to speak local languages like Kannada, Telugu, Tamil, and Malayalam. He is fluent in speaking Hindi and English. He is a member of the Cardiovascular and Interventional Radiological Society of Europe, one of the biggest communities of radiologists in the world.

Fellowship & Membership

- Society of interventional radiology- SIR-member
- CIRSE 80717-member

- ISVIR - FM-488

Field of Expertise

- Treatment of acute gastrointestinal bleeding
- Hemoptysis and epistaxis
- TIPS and BRTO
- Biopsy and tumor ablations
- Transarterial chemoembolization of HCC and other tumours
- Vertebroplasty
- Placement of PICC lines, Chemoports, tunnelled catheters
- Management of failing dialysis fistula
- Treating aortic dissection and aneurysms
- Drainage/aspiration of collections
- Percutaneous cholecystectomy/PTBD-stenting
- IVC filter placement and retrieval
- Treatment of acute and chronic limb ischemia
- Varicose vein ablation
- Catheter-directed thrombolysis for pulmonary vasculature and mesenteric ischemia
- Clot removal therapy in acute stroke.
- Carotid artery stenting

Languages Spoken

- Kannada
- English
- Hindi
- Telugu
- Tamil
- Malayalam

Awards & Achievements

- International travel scholar in conference SIR 2016 -Vancouver, Canada.
- First prize in oral competition paper-ISVIR 2017.

Talks & Publications

- Oral paper presentation in ISVIR 2017 - Kolkatta.
- E-poster in ECR 201 Vienna, Austria
- Oral paper presentation in IDOR - Delhi 2013
- Poster presentation IRIA - Agra 2014
