

DR. AKSHI BANSAL

Consultant - Dermatology

Qualification

MD (DVL) | DNB (DVL) | FRGUHS (Dermato-surgery) | MRCP-SCE (Royal College of Physicians, UK) | Diplomate European Board of Dermatology.

Overview

Dr. Akshi Bansal, the best dermatologist in Whitefield Bangalore, is a renowned dermatologist with a triple postgraduate degree in Dermatology and has undergone professional training from premier institutions in India. Dr. Bansal has been practising as a Consultant Dermato-surgeon and Dermatologist for two years in association with the prestigious Manipal hospitals in Whitefield. She is the only dermatologist in the country to be certified by the prestigious European Board of Dermatovenereology. She is also equipped with the CSE certification offered by the reputed Royal College of Physicians in the United Kingdom. Dr. Akshi Bansal is a specialist in the fields like aesthetic dermatology, clinical dermatology, trichology, hair transplantation, lasers and dermato-surgery. Dr. Akshi Bansal is an expert in handling cases related to intrinsic ageing, acne, pigmentation, and hair loss by utilising advanced medical interventions in fields like FDA-approved laser technology, PRP Mesotherapy, Botox and fillers. This dermatologist completed her MBBS from the Kasturba Medical College in Mangalore in 2012. In 2017, she completed her MD in Dermatology from Bangalore Medical College and Research Institute.

She also did a DNB course in Dermatology from DNB in 2021. She completed triple undergraduate degrees, such as FRGUHS in Hair Transplantation and Demato-surgery from Bangalore Medical College and Research Institute, MRCP-SCE in Dermatology from the UK's Royal College of Physicians, and Diplomate of European Academy of Dermatovenereology in 2021. Dr. Bansal is the best dermatologist in Whitefield, Bangalore. Dr. Akshi Bansal possesses impeccable work experience, as she began her career during her initial days with an internship as a Resident Doctor at Sir Gangaram Hospital in New Delhi, Victoria Hospital, and Bowring and Lady Curzon Hospital in Karnataka. She also worked as a Consultant Dermatologist at the Apollo Hospitals and Olivia Skin and Hair Clinics. She also worked as a Consultant Dermatologist at Sakra World Hospital in Bangalore. She is also a proud board member of The Indian Association of Dermatologists, Venereologists and Leprologists SIG in Aesthetics. In addition, she is one of the reviewers at the JAAD or Journal of American Academy of Dermatology and a part of the editorial board for the IADVL newsletter called RESIDREAM. Dr. Akshi Bansal won the Prof. C S Bhavani Kumar Memorial Award at the DERMACON 2017 event for presenting the best paperwork on Dermatosurgery. In 2014, the Bangalore Dermatological Society awarded a research grant for her dissertation. She has authored several research works, which were published in several reputable International journals, such as the Journal of American Academy of Dermatology. She has also penned down two interesting chapters in the Clinical Correlation and Diagnostic Implications textbook and has contributed to the 1st Edition of IADVL Color Atlas of Dermatology. She has also edited various chapters in the 4th edition of the IADVL Textbook of Dermatology.
