

DR. DIVYA IDAMAKANTI

Consultant - Internal Medicine

Qualification

M.B.B.S | M.D - Internal Medicine | Masters of Medicine - Internal Medicine (University of Sydney - Australia)

Overview

Dr. Divya Idamakanti is an accomplished Consultant - Internal Medicine who holds more than 15 years of experience in the field. She graduated from the prestigious Osmania Medical College in Hyderabad in 2009, after which she pursued post-graduation in Internal Medicine. Later Dr. Divya migrated to Australia where she worked for 7 years and gained huge experience in evidence-based management. During this time, she also completed Masters of Medicine in Internal Medicine from the University of Sydney in Australia, expanding her knowledge and expertise in the discipline. Dr. Divya Idamakanti has a wide range of expertise in various areas of Internal Medicine. Dr. Divya further expanded her knowledge in the area of infectious diseases by completing a Fellowship in infectious diseases from the prestigious CMC Vellore. She holds a lifetime membership of the Clinical Infectious Diseases society of India showing her enduring commitment and dedication. She is skilled in diagnosing and treating various infectious conditions, ensuring appropriate management and prevention strategies are implemented. Dr. Divya also did a one-year certificate course in Evidence Based Diabetes Management from the Public Health

Foundation of India. Her specialization includes the management and treatment of conditions such as diabetes, hypertension (high blood pressure), cardiovascular and metabolic diseases. She is well-versed in handling chronic medical conditions and age-related comorbidities, providing comprehensive care to patients dealing with multiple health concerns simultaneously. Her expertise also extends to managing allergies and asthma, offering patients personalized treatment plans to alleviate symptoms and improve their quality of life. The doctor also has a deep understanding of endocrine disorders, including thyroid diseases and other hormonal imbalances. Her commitment to providing exceptional care with an emphasis on preventive measures and health management makes her one of the best internal medicine doctors in Bangalore.
