

DR. MEENAKSHI KALYAN

Consultant - Internal Medicine

Qualification

MD General Medicine

Overview

Dr. Meenakshi Kalyan is a highly accomplished internal medicine specialist in Bangalore, currently practising as a Consultant - Internal Medicine at Manipal Hospital Whitefield. With over 15 years of clinical experience, she is recognised for her expertise in managing complex medical conditions such as diabetes, hypertension, obesity, geriatric care, rheumatological diseases, and adult immunisations. As one of the best internal medicine doctors in Whitefield, Dr. Kalyan has a passion for academic research and has made significant contributions to internal medicine through her numerous publications and conference presentations. She is the foremost Internal Medicine Specialist in Whitefield, Bangalore. Beginning her career with an MBBS from Santosh Medical College, Dr. Meenakshi Kalyan further pursued her MD - General Medicine from Padmashree Dr. D Y Patil Medical College. She has since worked in several esteemed medical institutions, including the roles of Assistant and Associate Professor, and PG Guide at Dr. D Y Patil Medical College. Dr. Kalyan's clinical experience is vast and varied. Her dedication to improving patient outcomes has been evident throughout her career, especially in her work with geriatric patients

and in outpatient diabetes care. Dr. Meenakshi Kalyan has contributed significantly to public health by participating in national conferences and leading educational workshops. She has been a frequent speaker and chairperson at various medical conferences, including the International Diabetes Summit. She is an active member of renowned medical organisations, including the Association of Physicians of India (API), the Research Society for the Study of Diabetes in India (RSSDI), and the Indian Academy of Geriatrics. Over the years, Dr. Kalyan has received several accolades for her research contributions, including the International Best Researcher Award in Internal Medicine and Rheumatology for her groundbreaking paper on "Anti-ds DNA Negative Lupus Nephritis with Secondary Sjogren's Syndrome" at the International Society for Scientific Network Awards in 2023. She was also honoured with the International Brilliance Award by the Hypedge group for her exceptional work in internal medicine. In addition to her clinical and academic roles, Dr. Kalyan has mentored postgraduate students and guided research projects funded by the Indian Council of Medical Research (ICMR). Her unwavering dedication to patient care, combined with her academic prowess, has established her as a top internal medicine doctor in Bangalore.
