Qualification

MD (Paed) | Gold Medal | DCH | DNB(Paed)

Overview

Dr. Rajeev M R is a renowned pediatrician based in Bangalore. He is a highly-skilled doctor with an experience of more than 23 years in the field of child health care. He is currently associated with the Manipal Hospitals located in the Whitefield area of the city as a Consultant of Paediatrics. He has expertise in treating childhood infections, newborn jaundice, and other diseases of infants and children. He has been a star academic in his time. He has various reputed medical degrees like MBBS and MD (Doctor of Medicine) and has done a DCH (Diploma in Child Health Medicine) as well. Dr. Rajeev completed his MBBS in the year 2000 from the Government Medical College in Calicut. He got registered with Travancore, the Cochin Council of Modern Medicine in Kerala, in the same year. He has worked as an active member since then. In 2004, he finished his MD (Doctor of Medicine) in Paediatrics from the Government Medical College in Thiruvananthapuram. He worked at the Apple Multi Speciality Clinic for six years- from 2014 to 2020. He was a Consultant Paediatrician at the Manipal Day Care in Koramangala in 2016 and 2017. Between 2004 and 2016, he worked at many other hospitals as a consultant in Paediatrics. In 2017, he ended his stint at Manipal Day Care and joined the Manipal Hospital Whitefield as a Paediatrics Consultant full-time. Dr. Rajeev has completed his degrees like DCH and DNB from the Sree Avittam Thirunal Women and Child Hospital and the Government Medical College in Thiruvananthapuram. Dr. Rajeev is the best paediatrician in Whitefield, Bangalore. While pursuing his MD, he won a Gold Medal in Paediatrics in 2004. He also won an award for being the Best Outgoing Student of MD Paediatrics in the same year. He is an active member of the Indian Medical Association as well. He achieved the first rank and the Certificate of Merit in the examinations of MD Paediatrics. Dr. Rajeev is an expert in working with children's health issues. He is an expert in newborn care, child nutrition, pediatric healthcare, infant nutrition, and development assessment. He also provides general health checkups to infants and children, travel vaccinations, nebulization, infectious disease treatments, and travel consultations. He is also a member of the Indian Academy of Paediatrics and has participated actively in their activities. He has worked on providing many complex and critical treatments to children and infants during his career. He has treated ailments like colitis, jaundice, and infectious diseases in children. He has also treated common health issues in children, like abdominal pain, food allergies, acid-related conditions, constipation, and feeding problems. He is fluent in languages like Hindi, English, Tamil, etc.
