Overview

Dr. Zubiya Khan is a highly skilled and experienced dentist in Bangalore. She is currently practising at Manipal Hospitals Yelahanka, Bangalore, as a Consultant in Dental Medicine. With over a decade of professional experience in general dentistry, Dr. Khan is known for her exceptional attention to detail, dedication to patient care, and ability to work efficiently both independently and as part of a multidisciplinary team. She graduated with a Bachelor of Dental Surgery (BDS) from the Vydehi Institute of Dental Sciences, Bangalore, in 2011. Her career in dental medicine began soon after, gaining extensive hands-on experience across multiple dental clinics in Bangalore. Over the years, Dr. Zubiya Khan has developed a strong foundation in dental procedures and patient education, offering comprehensive care that spans all fields of general dentistry. Her expertise includes preventive dental care, plaque control, and the treatment of common dental problems. She is also passionate about educating her patients on oral healthcare services, ensuring that they are empowered with the knowledge to maintain long-term oral health. With her work at different reputable dental clinics, Dr. Zubiya Khan honed her skills in patient

management, collaborating with dental specialists in various fields and playing an active role in public dental health programs. Dr. Khan is known for her exceptional interpersonal and communication skills, which have helped her build strong relationships with her patients and colleagues alike. In addition to her dental practice, Dr. Khan has also gained valuable experience as an English trainer at the London School of Speech and English Academy for foreign students, and as a medical trainer with Harvest Transcriptions. These roles enhanced her communication abilities and deepened her understanding of medical language and transcription practices, making her an all-rounded professional in healthcare. Moreover, Zubiya Khan is multilingual and fluent in English, Kannada, and Hindi, which enables her to connect with a diverse range of patients. She is committed to continually improving her professional career, and her passion for dentistry, combined with her dedication to excellence, makes her an invaluable asset to the medical fraternity.
