Overview

Dr. D Sreenivasa is a highly skilled gastroenterologist in Yelahanka. He is currently practising as a Senior Consultant – Gastroenterology at Manipal Hospital Yelahanka, Bangalore, bringing over three decades of clinical expertise to the care of patients with complex gastrointestinal, hepatobiliary, and pancreatic disorders. Known for his meticulous approach and exceptional procedural skills, Dr. Sreenivasa combines advanced therapeutic interventions with patient-centric care, offering a comprehensive range of diagnostic and treatment options. His commitment to excellence in gastroenterology, coupled with extensive teaching and research experience, has established him as one of the most trusted specialists in Bangalore. After completing his MBBS at Jawaharlal Nehru Medical College, Belgaum, Dr. Sreenivasa pursued his MD in General Medicine at Karnataka Medical College, Hubli, and further completed DNB in General Medicine. Driven by a passion for gastrointestinal medicine, he obtained his DM in Gastroenterology and DNB in Gastroenterology, standing first in his university examinations. To further enhance his expertise in advanced endoscopic procedures,

he completed a Fellowship in Endoscopic Ultrasound (EUS) from Denmark in 2012. Over the years, Dr. Sreenivasa has gained extensive experience in performing complex endoscopic and therapeutic procedures, including ERCP, EUS-guided interventions, double-balloon enteroscopy, third-space endoscopy (POEM, ESD), polypectomies, stenting, variceal banding and sclerotherapy, and advanced hepatobiliary procedures. Throughout his illustrious career, Dr. Sreenivasa has served in multiple academic and clinical roles, including Assistant Professor, Associate Professor, and Professor of Gastroenterology at leading medical institutes. He has contributed significantly to training young gastroenterologists for DrNB programs at Manipal Hospital, sharing his deep knowledge in advanced endoscopic techniques and patient management. Under his leadership, the department at Manipal Hospital Yelahanka has become a centre of excellence for gastrointestinal procedures, performing over 1,200 procedures per month while maintaining the highest standards of patient safety, accuracy, and post-procedure care. Patients seeking the best gastroenterologist in Yelahanka can rely on Dr. Sreenivasa for both routine and highly complex gastrointestinal care. His areas of expertise include portal hypertension, therapeutic endoscopy, endoscopic ultrasound, management of esophageal and biliary strictures, advanced pancreatic interventions, and minimally invasive techniques for gastrointestinal malignancies. He has also contributed extensively to research, with more than 15 publications and multiple poster presentations in national and international gastroenterology forums, highlighting his dedication to advancing the field and improving patient outcomes. Going forward, Dr. Sreenivasa continues to focus on integrating cutting-edge endoscopic technologies, fostering education for upcoming specialists, and maintaining the highest standards of care for all patients. His compassionate approach, precision in procedures, and commitment to continuous learning have made him a leading choice for patients seeking specialised gastrointestinal treatment in Yelahanka.
