

DR. YASHAVANTH H S

Consultant - Medical Gastroenterology

Qualification

MBBS | MD | DrNB | MNAMS | EUS - WISE fellowship

Overview

Dr. Yashavanth H. S. is a highly skilled gastroenterologist in Yelahanka. He is currently practising as a Consultant – Gastroenterology at Manipal Hospital Yelahanka, Bangalore, bringing over eight years of advanced clinical experience in managing complex gastrointestinal and hepatobiliary conditions. With a robust academic foundation that includes an MD in General Medicine, DNB, and a DrNB in Gastroenterology from the prestigious Asian Institute of Gastroenterology, Dr. Yashavanth combines extensive theoretical knowledge with cutting-edge procedural expertise. His practice encompasses a wide spectrum of diagnostic and therapeutic endoscopic procedures, including ERCP, EUS therapeutics, third-space endoscopy, POEM, and neuro-gastroenterology, making him one of the most sought-after specialists for patients seeking the best gastroenterologist in Yelahanka. Dr. Yashavanth’s clinical acumen is matched by his commitment to procedural excellence. He has pioneered and built a full-fledged gastroenterology department at Manipal Hospital Yelahanka, establishing both outpatient and inpatient care services, ensuring comprehensive management for conditions

ranging from chronic liver disease and inflammatory bowel disorders to complex biliary and pancreatic diseases. Patients benefit from his meticulous approach to diagnostics and treatment planning, which is informed by evidence-based protocols and the latest advancements in gastrointestinal endoscopy. His expertise in ERCP and EUS therapeutics is particularly valuable for managing intricate biliary and pancreatic disorders, while his proficiency in third-space endoscopy, including per-oral endoscopic myotomy (POEM), positions him at the forefront of minimally invasive interventions. Beyond his clinical practice, Dr. Yashavanth is deeply invested in academic medicine and research. He has contributed to multiple publications in internationally recognised journals, including pioneering work on Hemosuccus pancreaticus and the clinical utility of EUS and MRCP in suspected choledocholithiasis. His work as a peer reviewer for several journals underscores his commitment to advancing gastroenterology through rigorous scientific evaluation. Additionally, he is an active educator, mentoring medical graduates and guiding them in preparing for competitive super-specialty examinations. This dedication to teaching reinforces his position as a trusted authority in gastroenterology, attracting patients seeking the best gastroenterologist in Yelahanka for complex procedures and evidence-based care. Going forward, Dr. Yashavanth continues to expand the scope of gastroenterology services at Manipal Hospital Yelahanka, focusing on integrating the latest endoscopic technologies, precision diagnostics, and patient-centric care. His holistic approach ensures that patients not only receive expert treatment but also benefit from personalised management plans tailored to their unique conditions. With a reputation for clinical excellence, procedural precision, and compassionate care, he is widely recognised as one of the best gastroenterologists in Yelahanka and a leading choice for patients requiring advanced therapeutic and diagnostic interventions in gastrointestinal health.

Fellowship & Membership

- Member of American Society for Gastrointestinal Endoscopy (ASGE)
- Member of European Society of Gastrointestinal Endoscopy (ESGE)
- Member of the Indian National Association for the Study of the Liver (INASL)
- Member of the Indian Society of Gastroenterology (ISG)
- Member of Society of GI Endoscopy of India (SGEI)

Field of Expertise

- Diagnostic Endoscopy and endoscopic ultrasound (EUS)
- Early GI cancer screening & Endoscopic cure/therapies
- Diagnostic and Therpeutic interventions in IBD (ulcerative colitis and Crohn’s disease)
- Third space endoscopy- POEM & ESD
- Neuro-gastroenterology including Manometry studies
- ERCP & Cholangioscopy guided Therpeutics
- Bariatric & Metabolic endoscopy
- EUS biopsy and Therpeutics
- Luminal interventions: Banding, stenting, stricture dilatation, polypectomy, EMR etc

Languages Spoken

- English
- Hindi
- Kannada

Awards & Achievements

- Winner: Endoscopy Quiz, 'Gastroenterology Young Masters (GYM)-2020', Chennai.
- Runner-up: GI Quiz, 'GI Emergency Update - 2019', PGIMER Chandigarh.
- Winner: National Level Medicine Quiz, APICON (Annual conference of the Association of Physicians of India) 2016.
- Winner: State Level Medicine Quiz, KAPICON (Annual conference of the Association of Physicians of India, Karnataka) 2015.
- Runner-up: Diabetes Quiz, KRSSDI (Karnataka Research Society for the Study of Diabetes in India) 2014.
- Runner-up: Oncology Quiz, Bangalore Medical College and Research Institute 2014.
