Overview

Dr. Shiva Keshava Murthy is a highly skilled anesthesiologist in Yelahanka. He is currently practising as a Consultant – Anesthesiology at Manipal Hospitals Yelahanka, Bangalore, bringing extensive clinical expertise in perioperative care, neuroanesthesia, and critical care management to patients across all age groups. With a career built on rigorous academic training and years of hands-on experience, Dr. Shiva has developed a strong reputation for precision, patient-centric care, and expertise in managing complex surgical and neurocritical cases. His approach integrates the latest evidence-based practices with meticulous monitoring, ensuring the safety and comfort of patients undergoing surgeries ranging from routine procedures to high-risk neurosurgical operations. Dr. Shiva Keshava Murthy completed his MBBS at Ballari Medical College and Research Centre and pursued an MD in Anesthesiology at a Medical College, Haldwani. He further enhanced his skills with a DM in Neuroanesthesia and Neurocritical Care from Bengaluru, one of India’s premier institutes for neurological sciences. Over the years, he has garnered extensive experience in perioperative anesthetic management, neurocritical care, intensive

monitoring, and the management of complex emergencies. His training has included rotations in high-volume tertiary care centres, exposure to advanced monitoring systems, and hands-on practice in managing critically ill neurological and neurosurgical patients, which has honed his clinical judgment and decision-making under pressure. Throughout his career, Dr. Shiva has demonstrated a remarkable ability to work collaboratively with multidisciplinary teams, including surgeons, intensivists, and nursing staff, to deliver optimal patient outcomes. His expertise spans anesthesia for general surgery, obstetrics, neurosurgery, and critical care interventions. He is adept at handling patients with multiple comorbidities and administering anesthesia in both elective and emergency settings. Dr. Shiva has also contributed to the training of junior residents and medical students, sharing his knowledge and ensuring adherence to the highest standards of clinical practice. Patients seeking the best anesthesiologist in Yelahanka can rely on Dr. Shiva Keshava Murthy for meticulous preoperative assessment, individualized anesthesia planning, and careful postoperative care. He combines technical proficiency with empathetic communication, ensuring patients and their families are well-informed and reassured throughout the perioperative journey. Going forward, Dr. Shiva aims to continue enhancing patient safety, pioneering neuroanesthesia protocols, and advancing perioperative care at Manipal Hospitals Yelahanka. His dedication to continuous learning, commitment to excellence, and compassionate approach make him a trusted specialist for both routine and complex anesthetic care in Bengaluru.
