

DR. ABDUL MAJEED

HOD & Sr. Consultant in Internal Medicine | Faculty and in-charge of DNB (INT Med.)

Qualification

MBBS (1975) | MD (General Medicine) (1979)

Overview

Dr. Abdul Majeed, HOD & Sr. Consultant in Internal Medicine and General Medicine Expert is the best internal medicine doctor in Bangalore. Dr. Abdul Majeed has built a reputable career and become a recognised expert with superb patient care and medical knowledge. He completed his MBBS from Kasturba Medical College in Manipal in 1975 and then his MD in General Medicine from Kasturba Medical College in Manipal and Mangalore in 1979. Dr. Abdul Majeed started his career in medicine in 1980 as a Lecturer at Kasturba Medical College in Mangalore. He worked as an Assistant Professor of Medicine from 1980-1982. Whereas, from 1982-2010, he worked as a physician with the Saudi American oil firm (ARAMCO), where he got invaluable experience in treating a variety of medical ailments. His devotion and enthusiasm for medicine brought him to this position. Dr. Abdul Majeed has been working as a consultant in internal medicine and general medicine at Columbia Asia Referral Hospital in Yeshwanthpur since July 2013. He has significantly advanced the subject of internal medicine during his time there, earning the prestigious title of Head of the Department of Internal Medicine from 2017 to 2021. Due to his

significant experience and knowledge, Dr. Abdul Majeed has also accepted the position of PG instructor for the DNB in Internal Medicine at Columbia Asia Referral Hospital, Yeshwanthpur. No wonder he is considered one of the best internists in Bangalore. Dr. Majeed's commitment to professional growth and staying abreast of the latest medical advancements is evident through his active participation in various fellowship programs and courses. By actively seeking opportunities to expand his knowledge and skills, he ensures that he provides the highest level of care to his patients. One notable accomplishment in Dr. Rudresha AH's pursuit of continuous learning is his completion of the Advanced Cardiac Life Support (ACLS) Course. This intensive training equips healthcare professionals with the necessary knowledge and abilities to effectively manage critical cardiac situations. Dr. Abdul Majeed can effectively communicate with all the patients due to his extensive knowledge of several languages, including English, Kannada, Hindi, Urdu, and Arabic. This promotes better understanding and individualised care. His proficiency in multiple languages adds to his standing as a kind and patient-focused healthcare professional. Dr. Abdul Majeed has received recognition for his excellent contributions to medicine throughout his career. Additionally, He was honoured with the First Rank in Ophthalmology and the Seventh Rank in Internal Medicine in 1975. Dr. Abdul Majeed is highly specialised in internal medicine due to his extensive training, in-depth medical expertise, and commitment to patient’s well-being. Numerous people in Yeshwanthpur and elsewhere continue to benefit from his sympathetic demeanour and dedication to thorough medical care and patient relief.
