

DR. JYOTHI V SHENOY

Chief Consultant Obstetrics and Gynaecology

Qualification

MBBS (KMC Mangalore) | MD (JIPMER Pondicherry) | MRCOG (RCOG London, UK) | CCT (PMETB, London UK) | FRCOG (UK)

Overview

Dr. Jyothi V. Shenoy is a highly qualified and experienced obstetrics and gynaecology expert who specialises in high-risk pregnancies and conditions associated with pregnancy. She has a remarkable educational background and range of expertise, and during her 25-year career, she has made critical commitments to the area of gynaecology. Dr. Shenoy accepted her MBBS from Kasturba Clinical School in Mangalore in 1994. She finished her schooling at Puducherry's Jawaharlal Establishment of Postgraduate Clinical Training and Exploration (JIPMER), where she ultimately acquired an MD in Obstetrics and Gynecology in 1998. While at JIPMER, she worked as a Research Fellow for the World Health Organisation (WHO), expanding her knowledge and skills. Dr. Shenoy went to the UK to seek higher examinations since she needed to extend her points of view. She got the MRCOG (Enrollment of the Imperial School of Obstetricians and Gynecologists) in 2001 from the Illustrious School of Obstetricians and Gynecologists in London. At the point when she got her CCT (Declaration of Consummation of Preparing) from the PMETB (Postgraduate Clinical Schooling and Preparing Board) in London, her

skill in the field was additionally set. Dr. Shenoy returned to India after more than nine years in the UK and joined the famous Columbia Asia Referral Hospital with a wealth of expertise. In recognition of her significant accomplishments and in-depth knowledge, she was awarded the FRCOG (Fellowship of the Royal College of Obstetricians and Gynecologists) by the Royal College of Obstetricians and Gynecologists. No wonder she is considered the best obstetrician & gynaecologist in Yeshwanthpur. For the past 13 years, Dr. Shenoy has been a committed consultant at Columbia Asia Referral Hospital. Her focus on handling high-risk pregnancies and medical conditions throughout pregnancy demonstrates her dedication to offering all-encompassing treatment to individuals experiencing challenging obstetric issues. She has also significantly increased her level of experience in hysteroscopic surgery, colposcopy, and minimally invasive gynaecological surgery. Dr Shenoy has made significant contributions to medicine during her career. She has published several publications, and as a result of her work, conferences all over the world have invited her to deliver papers and posters. Because she is committed to staying on the cutting edge of her field, she consistently gives her patients the greatest care. Fluent in English, Kannada, Hindi, Tamil, Konkani, and Tulu, Dr. Jyothi V Shenoy effectively communicates with diverse patients. Her empathetic and compassionate approach and extensive knowledge and experience make her a highly sought-after gynaecologist in Yeshwanthpur, Bangalore. Assuming you are looking for a master interview for obstetric and gynaecological worries, Dr. Jyothi V Shenoy is a great decision. Her obligation to patient consideration and her commitment to propelling the area of gynaecology make her a priceless resource for the local clinical area. Schedule an appointment with Dr. Shenoy today to benefit from her expertise and experience.
