

DR. SUNDAR C INGALESHWAR

Senior Consultant - Paediatrics and Paediatric Intensive Care

Qualification

MBBS | MD in Pediatrics | Fellowship in Paediatric Intensive Care

Overview

Dr. Sundar C Ingaleshwar is an experienced paediatric specialist and paediatric intensivist in Bangalore. He is currently a Senior Consultant in paediatrics at Manipal Hospital Yeshwanthpur. With over a decade of dedicated service in paediatrics, Dr. Sundar has developed exceptional expertise in managing a wide range of paediatric cases, including general paediatrics, paediatric emergencies, and critical care. His commitment to delivering high-quality care is evident in his meticulous approach to diagnosing and treating complex medical conditions in children. Dr. Sundar's passion for child health drives his patient-centric practice, prioritising safety, comfort, and optimal outcomes for young patients and their families. Dr. Sundar’s academic qualifications include an MBBS degree and an MD in Paediatrics, equipping him with a strong foundation in child health. Additionally, he has completed a Fellowship in Paediatric Intensive Care from MGR University, Tamil Nadu, which enhances his capability to manage critically ill children with precision and expertise. His comprehensive knowledge spans the spectrum of paediatric care, from routine check-ups to advanced intensive care procedures. Dr. Sundar specialises in paediatric

emergencies and critical care and employs cutting-edge techniques and advanced medical protocols to provide timely and effective interventions. His skills include managing paediatric ventilatory support, conducting life-saving procedures such as central venous catheterisation, and performing lumbar punctures and chest tube insertions. In addition to his clinical practice, Dr. Sundar actively contributes to the medical community through research and education. He has presented papers at national and state-level paediatric conferences, sharing insights into topics such as seasonal infections in children, nutritional guidelines, and the effects of digitalisation on child health. His newspaper articles provide valuable advice to parents, empowering them to make informed decisions about their children's health and well-being. Dr. Sundar also focuses on preventive care, educating families on vaccination schedules, nutritional habits, and general wellness practices. He firmly believes that empowering parents with knowledge about their child's health is key to fostering a healthier society. His approach is compassionate and patient-focused, ensuring every family receives personalised care tailored to their child's needs. Known for his empathetic communication style, Dr. Sundar, the best Pediatric specialist in Yeshwanthpur takes the time to explain medical conditions and treatment plans to parents clearly and reassuringly. This transparency helps build trust and ensure a positive experience for families navigating the complexities of paediatric healthcare. Dr. Sundar is fluent in Kannada, English, Hindi, Telugu, Tamil, and Marathi, allowing him to communicate effectively with families from diverse linguistic backgrounds. This multilingual ability ensures that language is never a barrier to providing exceptional care.
