

DR. SANGEETHA RAO

Consultant - Ophthalmology

Qualification

MBBS | DNB (OPHTHALMOLOGY)

Overview

Dr. Sangeeta Rao is an experienced ophthalmologist in Bangalore. She is currently practicing as a Consultant – Ophthalmology at Manipal Hospital Yeshwanthpur, Bangalore. Dr. Rao specializes in providing comprehensive eye care services. Her expertise includes cataract surgery, glaucoma treatment, retinal disorders, and other medical and surgical ophthalmic conditions. Dr. Rao is dedicated to improving her patient's quality of vision and overall eye health. Dr. Rao completed her MBBS from JNMC, Belgaum, and further pursued her training in Ophthalmology at Aravind Eye Hospital, Madurai. She earned her Diplomate National Board (DNB) qualification and has gained practical experience in ophthalmic surgery and treatment. She is well-versed in small incision cataract surgeries, phacoemulsification, trabeculectomy, and lid surgeries. Dr. Rao has performed over 2,500 cataract surgeries and treated numerous patients for glaucoma and other eye-related concerns. Her areas of interest also include medical retina and uvea, focusing on diabetic retinopathy and other retinal diseases. She is actively involved in community outreach programs and has conducted numerous eye camps to provide screening and awareness to

underserved populations. Dr. Rao’s compassion and dedication to her patients are key components of her practice, ensuring that all patients receive personalized care that addresses their individual needs. In addition to her surgical expertise, Dr. Rao is skilled in various laser procedures such as YAG capsulotomy, iridotomy, and pan-retinal photocoagulation. She is committed to delivering the best possible treatment outcomes, utilizing the latest advancements in ophthalmic technology and techniques. Dr. Sangeeta Rao strongly advocates preventive eye care and is dedicated to educating her patients on the importance of early detection and treatment to preserve vision. With a patient-centered approach, Dr. Rao aims to enhance the quality of life for individuals through proper eye care and effective treatment options. Dr. Rao is fluent in Kannada, English, and Hindi, enabling her to communicate effectively with a diverse range of patients and their families.
