

**DR. VIKRAM G D**

Consultant - Urology And Andrology

**Qualification**

MBBS | MS (General Surgery) | DNB (Urology)

## Overview

Dr. Vikram G D is a highly skilled Consultant in Urology and Andrology, dedicated to providing comprehensive care for urogenital conditions. He brings extensive expertise to his practice, backed by his impressive credentials, including an MBBS, an MS in General Surgery, and a DNB in Urology. His vast experience allows him to treat various conditions such as male sterilisation, benign prostatic hyperplasia (BPH), prostate cancer, and bladder cancer. His expertise in procedures like prostatectomy, transurethral resection of the prostate (TURP), and bladder tumour removal has led to high success rates and numerous satisfied patients. He is the best Urologist and Andrologist in Yeshwanthpur, Bangalore. Dr. Vikram G D’s commitment to patient care extends beyond his qualifications and surgical skills. His compassionate and understanding nature helps put patients at ease, guiding them throughout their treatment journey. Fluent in Kannada, English, Hindi, and Telugu, he ensures clear and effective communication with his diverse patient base. With extensive experience, Dr. Vikram G D has honed his expertise in robotic surgery, laser endourology, laparoscopic procedures, reconstructive urology,

and andrology. His dedication to advancing medical knowledge is evident through his research contributions, including studies on urinary diversion complications, benign prostatic hyperplasia management, and medical expulsive therapy for ureteric calculi. His continuous learning and adoption of the latest advancements ensure that his patients receive the most effective and innovative treatments. As a Senior Consultant Urologist, Dr. Vikram G D specializes in advanced laser urological surgeries, including HOLEP (Holmium Laser Enucleation of the Prostate) for prostate enlargement and RIRS (Retrograde Intrarenal Surgery) for minimally invasive kidney stone treatment. His additional areas of expertise include Reconstructive Urology, Andrology, Pediatric Urology, and Renal Transplantation, with a special focus on Female Urology. Dr. Vikram G D strives to enhance the lives of his patients through his expertise, empathy, and commitment to excellence. Beyond his clinical skills, he is well known for his patient-centric approach, ensuring that individuals feel heard, respected, and supported throughout their healthcare journey. His dedication to excellence is further demonstrated by his participation in conferences, workshops, and advanced training programs, keeping him updated with the latest developments in urology and andrology. By incorporating cutting-edge techniques and evidence-based practices into his treatments, he ensures optimal patient outcomes. With strong communication skills and the ability to explain complex medical concepts in a clear and understandable manner, Dr. Vikram G D ensures that his patients are well-informed about their conditions and treatment options. His passion for delivering high-quality urological and andrological care, combined with his dedication to continuous learning, sets him apart as a trusted and highly regarded Consultant in Urology and Andrology. Beyond the hospital, Dr. Vikram G D is known for his approachable nature and willingness to address patient concerns, providing guidance even beyond scheduled consultations. His empathetic approach fosters strong doctor-patient relationships, built on mutual trust and respect. Dr. Vikram G D continues to make a

significant impact in the field of urology and andrology, ensuring that his patients receive the best possible care through his advanced skills, compassionate approach, and unwavering dedication.
