

DR. MURUGESH MANJUNATHA

Consultant - Medical Gastroenterology

Qualification

M.B.B.S | MD (General Medicine) | DM (Medical Gastroenterology)

Overview

Dr. Murugesh Manjunatha is a distinguished gastroenterologist in Bangalore. He’s currently practising at Manipal Hospital Yeshwanthpur, Bangalore, as a Consultant in gastroenterology. He’s renowned for his expertise and contributions to the field of gastroenterology. His academic journey commenced at Vijayanagar Institute of Medical Sciences, Bellary, where he earned his M.B.B.S degree, laying the foundation for his illustrious medical career. Dr. Manjunatha's pursuit of excellence led him to pursue post-graduation in General Medicine at Rabindranath Tagore Medical College, Udaipur, further honing his diagnostic and treatment skills. Driven by a passion for gastroenterology, Dr. Manjunatha pursued advanced specialisation in D.M. Medical Gastroenterology at Sawai Man Singh Medical College, Jaipur, one of India's prestigious medical institutions. During his tenure, he showcased exceptional dedication and academic prowess, culminating in the completion of his specialisation with distinction. He is the Best Gastroenterologist in Bangalore. Dr. Manjunatha's academic achievements extend beyond his degrees. His research endeavours have garnered recognition and accolades within the medical

community. Notably, he received the Best Thesis Award for his groundbreaking work on prognostic markers in sepsis, demonstrating his commitment to advancing medical knowledge and improving patient outcomes. Furthermore, Dr. Manjunatha conducted a pioneering study on pain relief in patients with pancreatic cancer, underscoring his innovative approach to addressing complex medical challenges. His contributions have expanded the understanding of gastrointestinal diseases and also provided valuable insights into novel treatment modalities. Dr. Manjunatha's expertise encompasses a wide spectrum of gastroenterological conditions, including gastritis, chronic liver diseases, pancreatitis, inflammatory bowel diseases, and various gastrointestinal disorders. His proficiency in diagnosing and managing complex cases has earned him the trust and admiration of his peers and patients alike. In addition to his clinical work, Dr. Manjunath actively participates in academic forums and national gastroenterology conferences, where he shares his research findings and insights with fellow professionals. His contributions to medical literature through paper presentations and publications have enriched the gastroenterological community and inspired further research in the field. Dr. Manjunatha is a proud member of esteemed medical associations, including the Indian Medical Association, Indian Society of Gastroenterology, Society of Gastrointestinal Endoscopy of India, and Association of Physicians of India. His commitment to continuous learning and professional development is evident in his active involvement in these organisations. Fluent in English, Hindi, and Kannada, Dr. Manjunatha ensures effective communication and personalised care for patients from diverse linguistic backgrounds. His dedication to delivering compassionate and comprehensive healthcare underscores his status as a trusted healthcare provider in the field of gastroenterology.
